Saad Abdur Razzaq

has successfully completed the online, non-credit Professional Certificate

Google Advanced Data Analytics

Those who earn the Google Advanced Data Analytics Certificate have completed seven courses that include hands-on, practice-based assessments and are designed to prepare them for advanced roles in data analytics and entry-level roles in data science. They are competent in exploring large datasets, applying data analysis techniques, and building models to extract insights. They are also competent in machine learning, predictive modeling, and statistics.

This graphic is a stylized representation of a certificate. It features a white central area with a grey border. At the top, there are two horizontal bars: a yellow one on the left and a gold one on the right. Below these bars, the text 'Google Advanced Data Analytics Certificate' is written in a large, bold, black font. At the bottom, there is a red banner with the text 'Certificate of Completion' in white. The entire graphic is set against a background of overlapping yellow and gold geometric shapes, creating a sense of depth and movement.
