HQ COMLOG # CL/S/REG/426

Date: 06/01/25

TO WHOM IT MAY CONCERN

This is to certify that **Saad Abdur Razzaq** worked with **ProActive Enterprises (Private) Limited** as a **Backend Intern** from **Thursday, 18th July 2024** to **Friday, 3rd January 2025** on a **remote, unpaid internship basis**.

During his internship, he contributed to backend development and technical support for systems related to the company's operations in **Marine, Electrical and Electronics, IT Equipment, and Technical Services**. His primary areas of contribution included:

- **Backend Development:** Assisted in developing and maintaining backend APIs and server-side functionality for internal business applications.
- **Database & Data Management:** Worked with databases, data models, and queries to support the management of customers, equipment, products, and operational records.
- **Application Support:** Assisted with debugging, testing, troubleshooting, and improving existing backend functionality.
- **Development & Collaboration:** Used Git for version control and contributed to technical documentation, code reviews, and collaborative development activities.

Throughout his internship, Saad demonstrated **professionalism, willingness to learn, problem-solving skills, and a responsible approach to his assigned responsibilities**. He successfully completed his internship with the company and made valuable contributions during his tenure.

We wish him all the best in his future academic and professional endeavors.
